

# THE BEST OF CROATIA

7 NIGHTS | VENICE ROUNDTrip | 11 JULY 2017 | LÈ LYRIAL

From Venice, step aboard the Le Lyrial for an unforgettable 8-day cruise through the turquoise Adriatic Sea, meandering her way between necklaces of islands dotted here and there off the Dalmatian Coast.

You will visit Kotor which became a UNESCO World Heritage Site in 1979. Located within the famous Bay of Kotor, this fortified town is overlooked by mountains on which perch the ruins of impressive fortifications.

A UNESCO World Heritage Site, Dubrovnik will charm you with its palaces, elegant buildings, cloisters and fountains.

## ITINERARY

11 July	<b>VENICE</b>	You will inevitably fall in love with the charm of the innumerable treasures of the Serenissima: Saint Mark's square, the basilica, Doges palace, the Grand Canal and the gondolas.
12 July	<b>SPLIT</b>	On the Dalmatian coast, the town of Split offers cultural visits in a seaside atmosphere. Close to the seafront shaded by palm trees, the historical centre listed as a UNESCO World Heritage site, boasts a unique building: the Diocletian's Palace.
13 July	<b>KORCULA</b>	This harbour town has a very special location, presiding on a spur on the north-eastern coast of the island. The ramparts in its medieval district provide perfect vantage points over the Pelješac peninsula. To get there, you can take the monumental staircase in the Revelin Tower.
14 July	<b>KOTOR</b>	Nestling at the end of a bay surrounded by wooded mountains, the town of Kotor offers its UNESCO World Heritage listed old town with its medieval architecture.
15 July	<b>DUBROVNIK</b>	Emblem of the Dalmatian coast, Dubrovnik is magnificently positioned on a rocky spur. History is sovereign here, in this ancient city, now a listed UNESCO World Heritage site. You will perhaps be surprised by the proportions of La Placa, the central drag through the city. The sheer width of it can be explained by the fact that it straddles a former lagoon.
16 July	<b>HVAR</b>	Off the coast of Split, Hvar will surprise you by its traditions that haven't changed since Antiquity. The country's oldest town, Stari Grad, is here on this Dalmatian Island. The town nestles by a cove on the north-west coast, surrounded by dry stone wall structures on the Stari Grad plains. These have been designated a UNESCO World Heritage site because they were built in the time of the Ancient Greeks.
17 July	<b>OPATIJA</b>	This elegant Istrian seaside location evokes an atmosphere of olden day holiday charm. The Opatija coastline is scattered with castles and layered gardens on hillsides which you can admire during a walk on the Lungomare.
18 July	<b>VENICE</b>	Return to the eternal city.
